

1. Product ID

TQ-PS-CATV

2. Product Name (Website)

Teqvion 35V DC Power Supply (1A / 2A / 5A) for CATV and Internet

3. Product Name (Internal)

CATV Power Supply

4. Product Category

Power Supplies

5. Product Overview

Teqvion 35V DC Power Supplies provide stable and reliable power for CATV network equipment and internet communication devices. Designed for continuous operation, these adapters ensure consistent power delivery to cable TV amplifiers, network devices, and related infrastructure. Built using high-quality electronic components, they offer efficient performance, long service life, and protection against electrical faults.

6. Technical Specifications

Parameter	Value
Input Voltage	100-240V AC
Output Voltage	35V AC
Output Current	1A / 2A / 5A
Frequency	50–60 Hz
Fuse Rating	1600 mA
Channels	Single CATV Output
Installation Type	Indoor Node Power Supply
Enclosure	Metal Housing

7. Key Features

- Stable and regulated CATV power output
- Heavy-duty metal enclosure for durability
- Built-in buzzer alarm system
- LED power indicator
- Replaceable fuse protection
- Integrated AC OUT – RF INPUT connectors
- ON / OFF power switch
- Designed for continuous operation
- Reliable performance for cable TV distribution networks

8. Applications

- CATV Network Equipment
- CATV Signal Distribution Systems
- Cable TV Amplifiers
- Indoor CATV Nodes
- Broadband Cable Infrastructure
- Multi-Dwelling Cable Installations
- Cable Network Service Providers
- Compatible 35V Electronic Devices

9. Product Variants

(To be defined)

10. Packaging Details

(To be defined – box type, quantity per carton, etc.)

11. Certifications

(To be defined – BIS / CE / RoHS etc.)
